ABOUT ME

I am Nader, a web developer learner and graphic designer from Aqaba, Jordan. I built my first portfolio step by step: creating a repo, dev branch, Pull Request, and deployment via GitHub Pages. Passionate about learning and growing in tech.

Every expert was once a beginner. The important thing is to start and keep learning.

SKILLS

- **GitHub:** Repository Management, Branching, Pull Requests, Merge
- **HTML / CSS:** Responsive Dark Gold Design
- **GitHub Pages:** Deployment & Hosting
- **Graphic Design:** Photoshop, Illustrator, InDesign (Ps, Ai, Id)
- **JavaScript:** Live Counter 1,335+, LocalStorage, QR Code
- **Documentation:** README & Portfolio Building

PROJECTS

1. **Portfolio Website - Test 261966** (2026)
Dark Gold Design with LIVE visitor counter (1,335+ visitors), QR Code, WhatsApp integration (00962786102948), CV download. Built with HTML, CSS, JS, GitHub Pages.
Live: naderalkhassawneh-hub.github.io/test261966-nader/
GitHub: github.com/naderalkhassawneh-hub/test261966-nader

2. **Graphic Design Collection**
Social media designs, branding, Photoshop & Illustrator works.

3. **Future Projects - Coming Soon**
JavaScript applications, advanced portfolio features.

LEARNING JOURNEY

2026 - GitHub Learning Journey - From Zero to Live:
- Created first repository test261966-nader
- Worked with dev branch
- Created Pull Request & Merge to main
- Enabled GitHub Pages - Site is LIVE

• Added LIVE Visitor Counter + QR Code + Link
• Added CV Download Feature
• Designed Dark Gold Premium Theme

GOAL

To become a professional web developer and work with tech companies or as a freelancer, from Aqaba to the world. Building real projects and learning every day.
